Alumni Testimonial

"I had been praying for a number of years for the Lord to use me as He sees fit. After leading a couple men's ministries at two different churches and a 25 year career in broadcast journalism, the Lord opened the door for a senior Pastor position at Calvary Chapel Waterford.

I began my classes in 2018, with my final class ending in August 2024. It was the very next month in September I was ordained, all in the Lord's timing.

Calvary Chapel University was quite instrumental!"

— Alumnus Tom Zimbelman

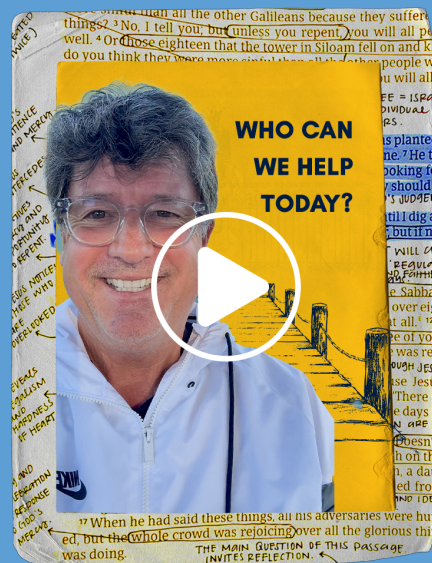

Like Tom, trust in the Lord's timing and start your ministry journey with us today.
